Mounting Type: Celling Mount	Material: Metal
Controller Type: Remote control	Number of Blades: 6

Description:

- Multi-speed Bedroom Ceiling Fan: Our ceiling fan utilize a DC frequency conversion motor, providing ultra-powerful airflow with whisper-quiet performance, reaching 205r/Min at the highest speed, with a decibel level below 30 DB. You can

easily adjust the air speed from 1 to 6 speeds with the remote control.

- **Double-faced Blade & Reversible:** The lighting & ceiling fans showcases double-faced blades, with one side in pure white for a modern look and the other side in light oak for a rustic charm. This ceiling fan is also reversible, offering a cooling breeze in the summer and assisting in circulating warm air during the winter, ensuring even distribution throughout the room. The ceiling fan can be used year-round.
- **Ceiling Fans with 5 Color Temperature Lighting:** Our white ceiling fan comes equipped with a 15W front LED light and a 4W 3000K backlight. Before installation, you have the option to choose from 3000K/3500K/4000K/5000K/6500K for the front light, according to your preference. Additionally, the soft and warm backlight will beautifully illuminate your ceiling.
- **Two Mounting Options:** The ceiling fans with lights and remote is installed using a rod, allowing you to mount it on either a flat ceiling or a sloped ceiling. For optimal performance, the recommended minimum ceiling height should not be less than 8ft, and the maximum angle of sloped ceilings should not exceed 12 degrees.
- **Easy to Use & 5-Year Warranty:** This 42-inch ceiling fan with light includes a convenient remote

control, allowing you to adjust fan speed among 6 options and switch between forward and reverse modes effortlessly. The remote features easy-to-understand button icons for straightforward operation. Please note that 2 AAA batteries (Not included) are required for the remote. We also offer a 5-year limited warranty. For inquiries, contact us for a prompt response within 24 hours.
