- **Price:** \$118.99
- **Rate:** 4.2
- **Specifications:**

<b>Mounting Type</b> Free Standing	<b>Controller Type</b> Remote Control
<b>Included Components</b> A fan, an instruction, a wire	<b>Number of Speeds</b> 10
<b>Brand</b>	InfinitiPower
<b>Color</b>	Grey
<b>Electric fan design</b>	Ceiling Fan
<b>Power Source</b>	Corded Electric
<b>Style</b>	Fan
<b>Product Dimensions</b>	11"D x 15.7"W x 6.9"H
<b>Room Type</b>	Kitchen, Bedroom, Living Room
<b>Special Feature</b>	Manual
<b>Recommended Uses For Product</b>	Air Circulation

<b>Noise Level</b>	53 dB
--------------------	-------

**- Descriptions:**

- The bladeless design of the No Leaf Fan makes it safer to use in a child's room without worrying about getting cut. Due to its clever construction, the fan can be cleaned with a damp and dry towel without needing to be disassembled.
- Swinging Head: A greater cooling space is provided by a 180° air supply ring adjustment angle and a 60° horizontal swing angle. It is also a desk fan thanks to the sturdy base, which increases its usability.
- Remote Control: This device allows you to operate a fan by turning it on or off, adjusting the airflow with three different speeds, setting a timer for nine hours, and shaking your head.
- Wall attach Fan: To make it simpler to attach the fan on the wall, it comes with wall hanging hardware, three cement expansion nails, and three cement screws. To ensure that the fan can operate normally, please leave the ceiling higher than 15.7 inches.
- Product metric: Size in total: 11"D6.9"/W15.7"H. Maximum rotational speed is 6600 m/s. Noise level: under 53 dB. Range of remote sensing: 3–5 m. 30 x 50 m<sup>2</sup> wind cover area.
- Please take note that items with electrical plugs are made for use in the US. Because outlets and voltage vary from country to country, this device might need an adapter or converter to be used where you are traveling. Before buying, kindly verify compatibility. The fan can be turned on and off, and the airflow can be adjusted using three different gear speeds and a strong button.
