- Descriptions:

- **Complete-Room Heating:** This tower heater helps to evenly distribute heat across your area with its 1500W strong ceramic PTC heating element motor and 45°widespread oscillation.
- **4 Settings Modes:** There are four comfort levels for the heater: high, medium, low, or only the fan. Any space becomes more tranquil immediately thanks to the powerful oscillating heater. The fan's force aids in swiftly dispersing heat.
- **Secure for Use:** The space heater has a built-in safeguard against overheating in addition to a self-regulating element for added security.
- **Remote Control & Timer Built-In:** For increased convenience, the heater's temperature and oscillation can be adjusted from 3 to 5 meters via the adjustable thermostat, which also offers a 6-hour auto-off timer.
- **Consistency in Design:** The integrated
