

VIVOSUN D4 4 Inch 195 CFM Inline Duct Ventilation Fan HVAC Vent Blower for Hydroponics Grow Tent

Wide Applications

It can improve airflow to reduce humidity, block odors, and lower temperatures in grow rooms, basements, or kitchens

Quiet Operation

The motor features a permanently lubricated bearing that operates quietly and requires no maintenance.

Simple Hookup

Removable duct ends with locking tabs for quick removal and easy maintenance

Strong Motor
Long Lasting

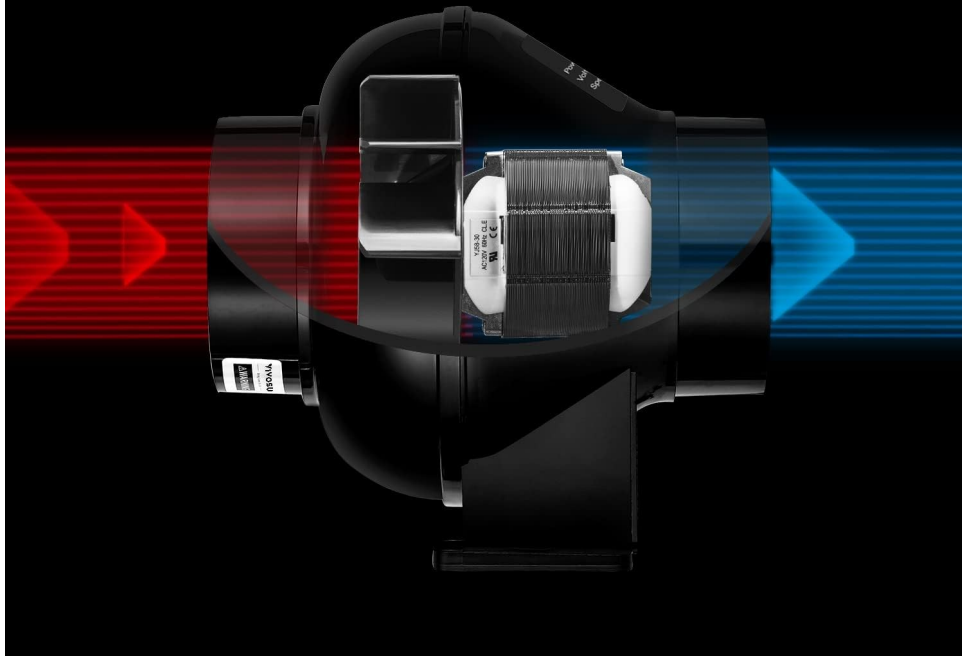

Fan Blades
Strong Airflow, Low Noise

Intake Valve
Easy to Install

Powerful Airflow

This powerful blower with a fan speed of 2500 RPM can create an airflow of 195 CFM

- **Price:** \$29.39
- **Rate:** 4.3 with 11,939 ratings

Specification

Brand	VIVOSUN
Color	Black
Electric Fan Design	Blower
Power Source	Corded Electric

Product Dimensions	7"D x 7.3"W x 6.7"H
Room Type	Kitchen
Special Feature	Lightweight
Recommended Uses For Product	Ventilating
Noise Level	42 dB
Wattage	28 Watts
Mounting Type: Wall Mount	Material: Aluminum
Controller Type: Button control	Number of Speeds: 3

Description:

- **Powerful Airflow:** This VIVOSUN powerful blower with a fan speed of 2500 RPM can create an airflow of 195 CFM; It works efficiently in ventilating grow tents, transferring heat or cool rooms, circulating fresh air, as well as controlling

proper humidity, temperature, and air quality for your grow area

- Quiet Operation: Fitted with a flow deflector that concentrates the fan stream and cuts turbulent kinetic energy to reduce sound output to just 30 dB, which does not have any harm to your health and will not disturb your work
- Safety Protection: The motor is ETL listed and features an automatic reset function to prevent overheating or other safety issues; The electrical junction box is made from flame-retardant components for fireproofing
- Simple Hookup: The flanges on both the intake and exhaust ends are simple to assemble with the vent hose by locking tabs; A cord of 5.9-feet long for hassle-free setup; The housing, even the impeller and blades, are easy to detach for cleaning and maintenance
- Wide Applications: It can improve airflow to reduce humidity, block odors, and lower temperatures in grow rooms, basements, or kitchens

Customer ratings by feature:

- Easy to install: 4.4
- Noise level: 3.8
- Value for money: 3.8
- Light weight: 4.7
