## Description:

-  **【High-Quality Ceiling Fan with Light】** 52'' ceiling fan with pull chain and light, the motor's brushed chrome-plated metal casing ensures durability and resistance to rust. At the same time, there are two different colors of sleek black wood

and elegant silver finish on both sides of the 5 wooden blades, which can be selected according to your preferences and home decoration style, suitable for any patios, bedroom, and indoors, etc.

-  **【Energy Efficient, Quiet & Comfortable】** With a high-quiet AC motor and pure copper wire, the outdoor ceiling fan are not only energy-saving but also quieter and more durable. As they work silently to create a comfortable, suitable environment. Riveria breeze ceiling fan comes with 2 replaceable warm white bulbs up to 60w, eliminating the need for additional purchases. For optimal performance, it is recommended to use these ceiling fan with light flush mount in spaces up to 40 square meters.
-  **【Reversible AC Motor】** With just a simple button switching on the ceiling fan, the blades can rotate in two directions, providing you with ultimate comfort all year round. In SUMMER, the air is directed downward, creating a gentle and cool breeze that enhances ventilation and dissipates heat, making your room more refreshing; in WINTER, the air is reversed upward, effectively promoting the circulation of hot air and ensuring every corner of your room is warm and cozy.
-  **【Adjustable Pull Chain Switch】** Featuring a unique vintage pull chain switch, the adjustable wind speed provides you with more options and

applicability. Effortlessly adjust the wind speed: 1 pull for high speed; 2 pulls for medium speed; 3 pulls for low speed. The elegant glass lampshade adds a touch of retro charm, while the pull chain adds a nostalgic flair. Elevate your space with the timeless elegance of our Riveria Breeze ceiling fans.

-  **【Easy Installation & Reliable Warranty】** Experience hassle-free installation with our comprehensive package that includes all necessary components and detailed instructions. Our 52 inch ceiling fans are designed to provide you with a seamless user experience. In addition, if you have any questions, please feel free to contact us at any time and we will answer you as soon as possible. You can also find the installation video in our web.
